

Enclose[®] Frameless Glass

Architectural Walls

PRODUCT INFORMATION SHEET

HAWORTH[®]

Effortless combinations. Flexible applications. Gorgeous floor-to-ceiling walls. That's EFG.

Made of frameless glass, these award-winning demountable walls provide a storefront option that can integrate perfectly with the rest of the Enclose system or stand on its own. A 10-year warranty promises years of solid performance, and highly recyclable materials make them a responsible choice.

The simple, sophisticated design of EFG elevates your environment quickly and easily. With the lowest base profile in the industry and refined details like butt-jointed glass and polished aluminum corners, the design is clean and uncomplicated from top to bottom.

A choice of sliding, pivot, or butt-hinge doors gives you the versatility to meet any space or aesthetic need. And the frameless glass system touches the building lightly, using mechanical fasteners only at the slab to save you time and money every time you install or move a wall.

Stop and start the glass exactly where you want, integrating with standard Enclose walls or seamlessly transitioning to conventional construction. With EFG, the possibilities for storefront designs are truly unlimited.
