

**HAWORTH<sup>®</sup>**

Enclose is an architectural wall system with all the fluidity of furniture and all the presence of permanent walls.

A clean, simple design provides a timeless look, while a 10-year warranty ensures the performance will last just as long. Sustainably designed to anticipate change, its moveable panels offer endless adaptation. It all adds up to a performance that's so versatile, it surpasses conventional construction.

The standard four-inch frame of Enclose meshes perfectly with base building architecture, enhancing connections to create a refined atmosphere. A range of heights and widths lets you tailor beautifully precise solutions for any ceiling height or building dimension.

Consistent dimensions, connections, and finishes future-proof your interiors, ensuring that the Haworth products you choose today will tie-in functionally and aesthetically with the ones you add tomorrow.

Enclose walls look like they were made to go with everything else we make—because they were. As part of Haworth's Integrated Palette™ portfolio, Enclose can be combined with a wide range of desking, systems, tables, and other architectural products.
